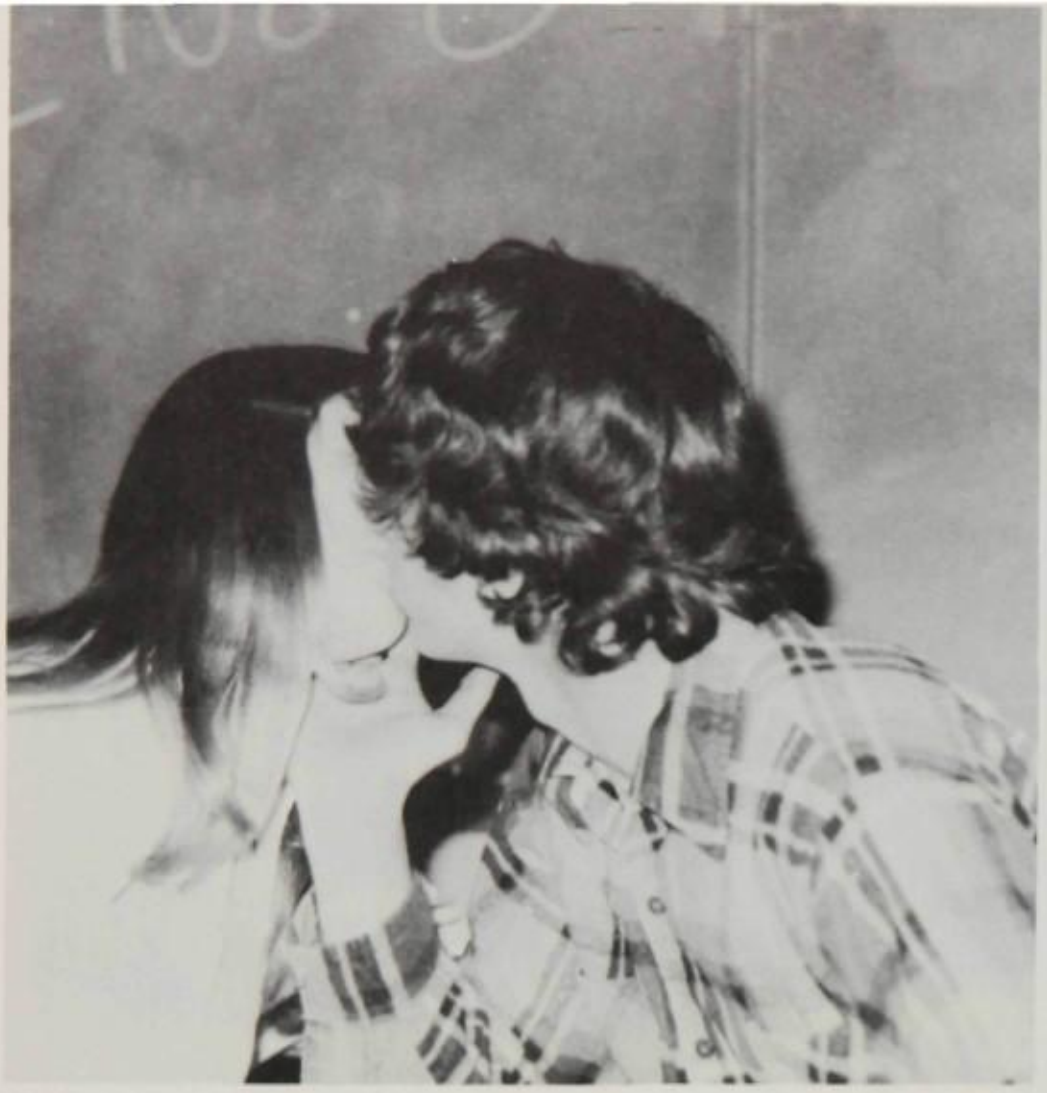
in the dim past,
uncounted ages ago,
there was only the
formless confusion
of chaos brooded over
by unbroken darkness . . .

night was the child of chaos

and so was Erebus
which is the
unfathomable depth
where death dwells . . .

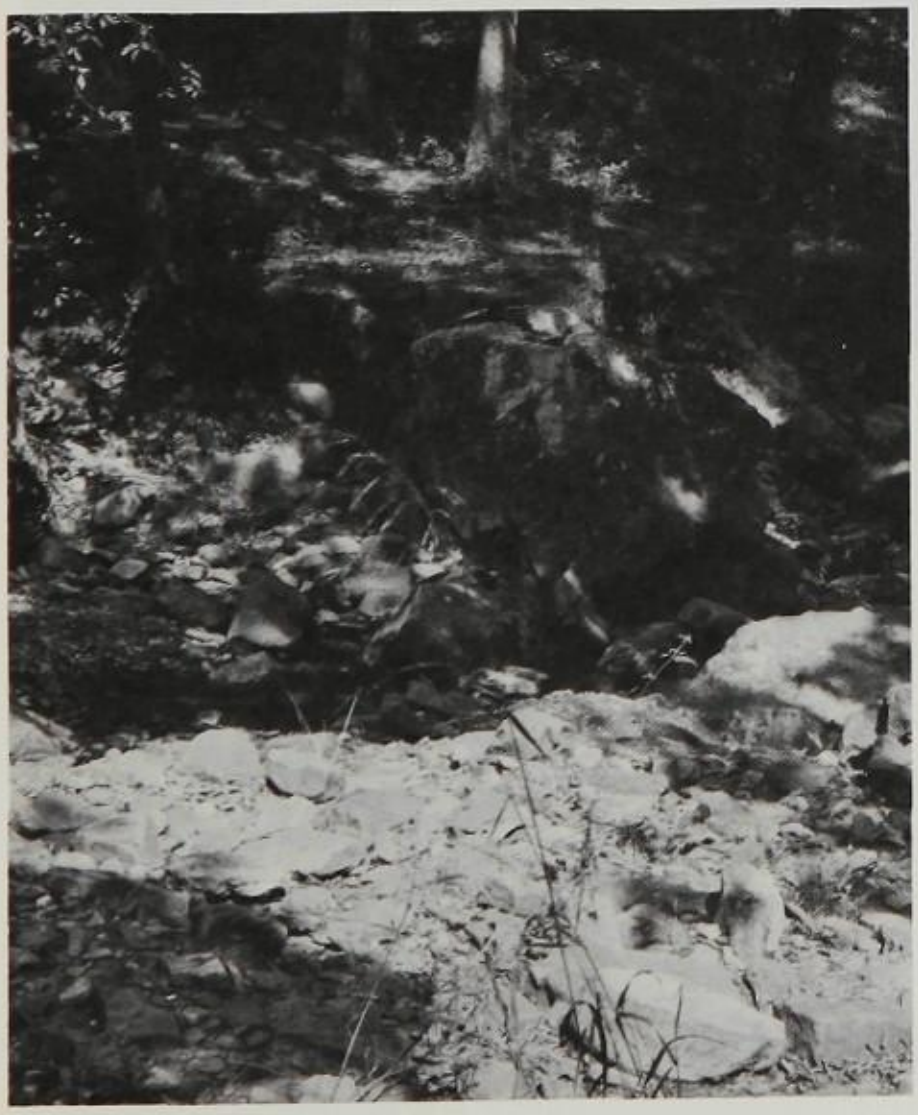
all was black, empty
silent, endless . . .



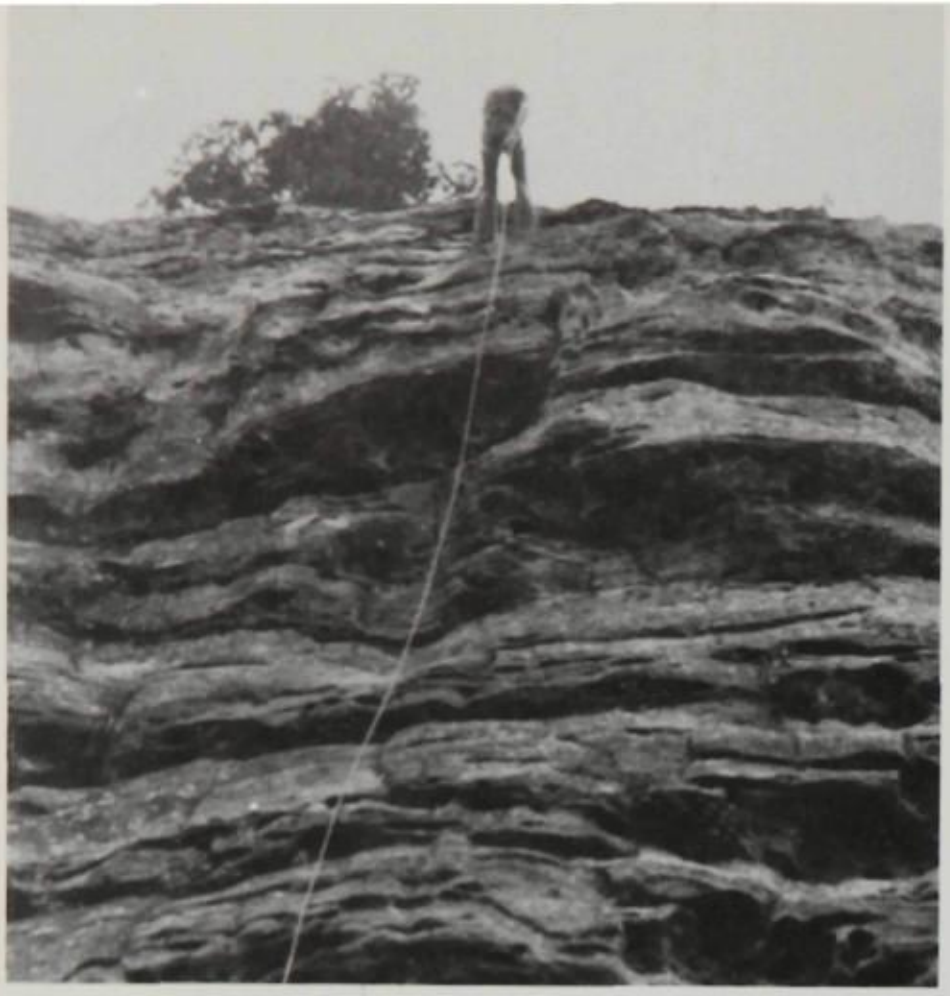
from darkness and
from death love
was born . . .

with it birth,
order, and
beauty . . .

love created light
with its companion
radiant day . . .



with the coming of
light and love it
seemed natural that
the earth should
also appear . . .

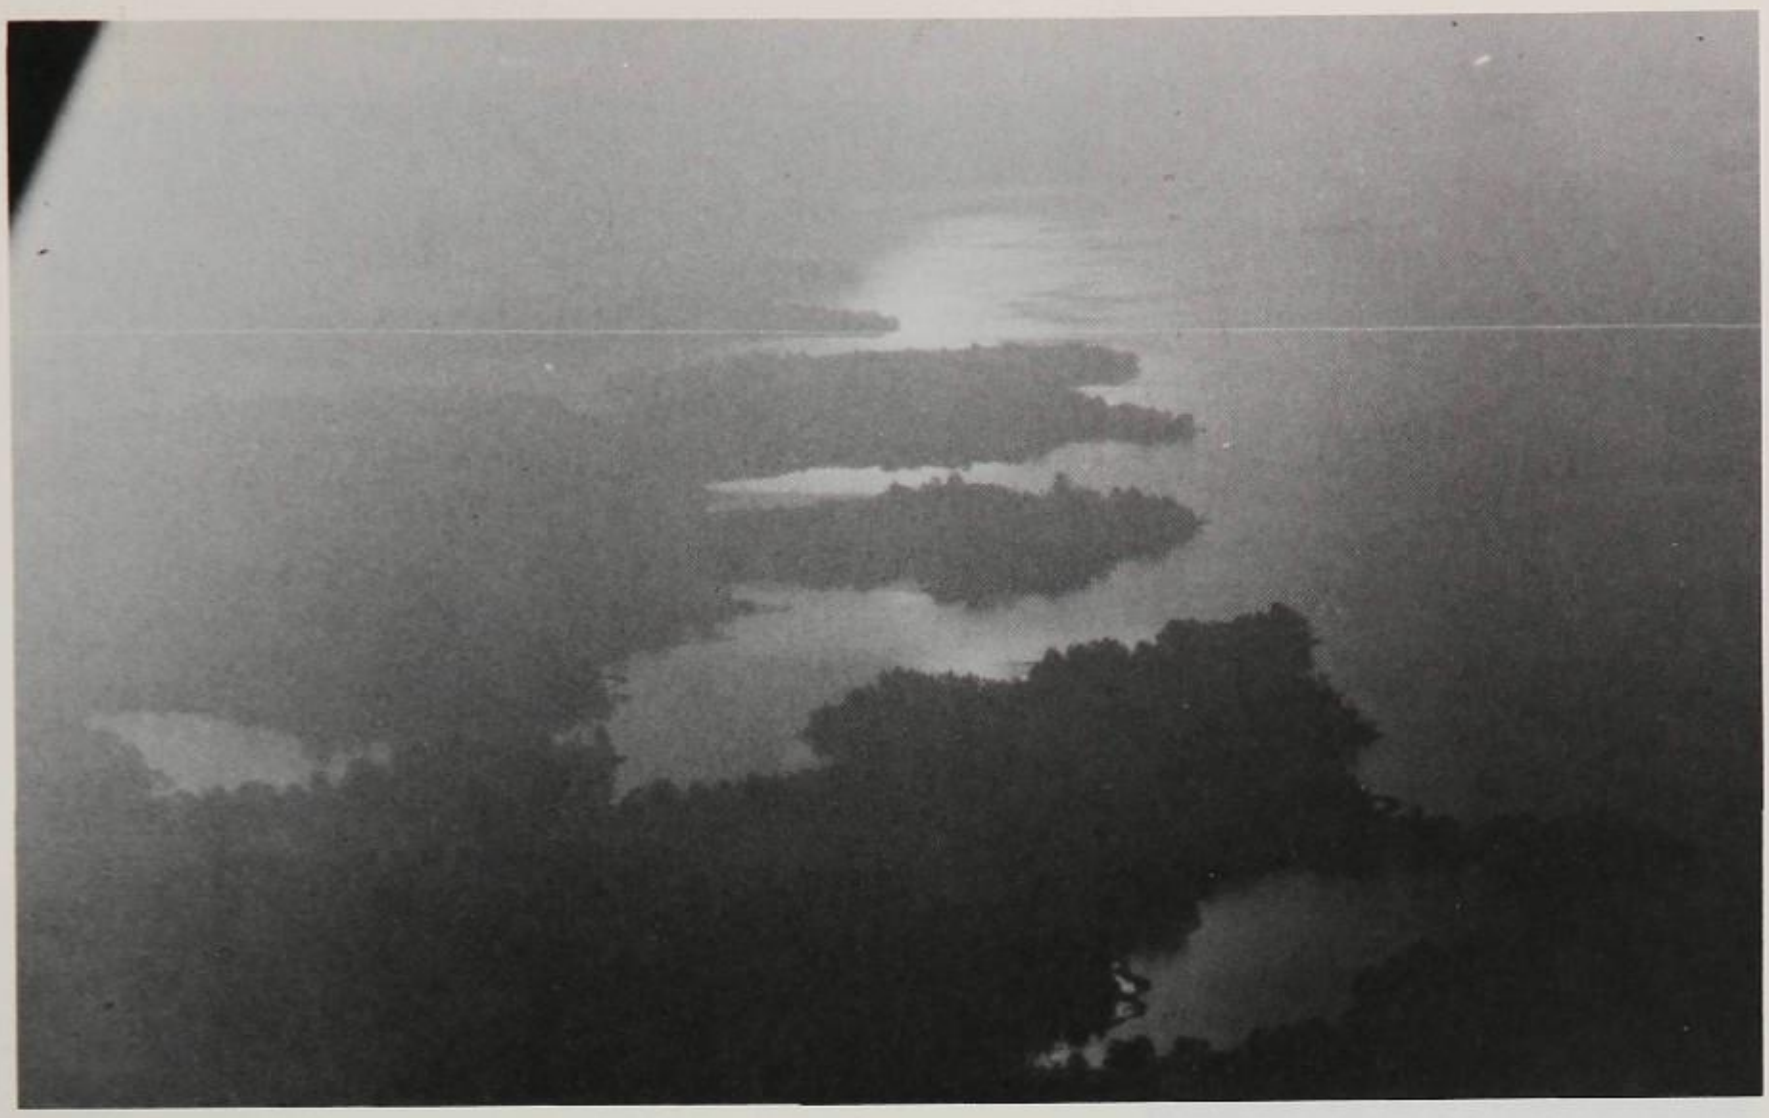


earth in winter . . .

persons so they
personified everything
which had the obvious
marks of life,
everything which moved
and changed:

and summer;

the sky with its
shifting stars and;



. . . the unrestless sea of
serenity

In Appreciation

A lot of hard, seemingly endless work is put into the construction of a yearbook. Along with a diligent staff, a dedicated, concerned sponsor must be found.

At the beginning of this year there was no sponsor for the Editorial section of the DIAL. At this point, Mrs. Virginia Page elected to sponsor BOTH Editorial and Business departments of our yearbook. Needless to say, organizing a staff, meeting deadlines, and taking care of the financial responsibilities (All financial support for our DIAL must come from advertising and subscription sales) is a full time job, and takes a lot of patience and dedication.

Without the support of Mrs. Page, there might not have been a 1974 DIAL. To Mrs. Page, I and the entire DIAL staff thank you.

CCHS Singers

During the school year 1973-74, the choral program consisted of three basic groups. These were, The Freshman Mixed Chorus, The Swing Choir and the CCHS Singers, an advanced group of vocal students. The choral program was four years old this year and many activities were added to the performance schedule.

All groups performed at four CCHS Creative Arts Concerts. The Swing Choir serves the community well by providing programs for civic groups in the town. All choral groups were once again successful at the IHSA State Music Contest, with Division I ratings won by many vocal soloist and ensembles representing CCHS.

In May of 1973, CCHS Music presented, for the first time in the history of the school, The National School Choral Award, an honor going to the outstanding participant in the choral program. The choral program at CCHS is one that students can be proud of. It is sponsored by Mr. Gene Biggs.

In addition to a pep band at basketball games, a newly organized stage band has been performing, adding a new angle to the games.

The newly-formed stage band performs at basketball games and band concerts. The stage band is concentrating on the performance of jazz and has sponsored a clinic for area stage bands with the assistance and performance of jazz trumpet player Maynard Ferguson and his Orchestra.

Queen Lesa Cooper

Homecoming

Homecoming 1973 was a thrilling weekend highlighted by the festive Homecoming Dance. The theme for the occasion at CCHS East was "The Enchanted Forest." Last year's retiring queen, Nancy Lipe, was present to crown radiant Lesa Cooper as the "CCHS 1973 Homecoming Queen."

The entire weekend was a success. All of Carbondale shared our celebration by watching the Homecoming parade with its display of glowing queen candidates, antique cars, and class floats. The weekend was made complete by the Terriers defeating the West Frankfort Redbirds in a 37-7 victory.

Students danced to the music of Fresh at the annual Sno-Ball Christmas Dance held December 23 at the Holiday Inn. After previous days of snow and ice, bruises and some lumps, students looked forward to an evening of sharing Christmas spirit.

A new event was added this year — the selection of a Sno-Ball King. As the seven King Candidates escorted the Queen candidates down the aisle, excitement filled the air. Master of Ceremonies, Tim Jones, announced the entrance of the retiring Queen Karen Carlock. The climax of the evening was the crowning of Queen Linda Stephens and King Brian Dougherty.

Performing Arts

Theatre

The 1973-74 theatre season was slightly handicapped by the lack of a stage to perform on. "Curtain going up!" had to be replaced by other traditions, traditions like "load the bus!" In the fall, the 2nd annual traveling show was presented with cast, crew and set loaded on the bus. "The Clown Who Ran Away" was given nine performances in Carbondale and area grade schools, including a special production at the Jackson County Special Education District school in Murphysboro. In addition to a successful fall season, the "Clown Show" was chosen one of thirty high school plays to be performed at the Thespian International Theatre Arts Conference in Muncie, Indiana, June 24-29." The Clown Who Ran Away" starred senior Terry Richison as the clown, and was directed by Mrs. Mary Boyle.

An Evening of One Act Plays

Hanging drapes and lights transformed the music room into a theatre for two nights in February. Three one-act plays were presented by a large, enthusiastic group of students. A classic thriller, a tender romance, and a satiric comedy made up the playbill. "Sorry, Wrong Number," and "Where Have All the Lightning Bugs Gone" were directed by Mrs. Mary Boyle and "Lifeguards" was directed by Mrs. Ellen Sue Richardson, Mrs. Boyle's student teacher.

Speech

The CCHS Speech Team is a group of students interested in competing in tournaments in the area of speech and drama. They expect to spend "out-of-class" time practicing in one or more of the 14 different events of competition in the Illinois High School Association. They choose what they want to work in, are coached after school hours, and are scheduled for sanctioned tournaments. There's competition within the team too for the coveted spots on tournament schedules. The team travels on week-ends, overnight trips, with expenses paid by the school. Sometimes a contestant will have as many as 5 rounds of competition on a weekend. Tired, happy with a win, or disappointed with a loss, the trips are good times to remember — even the broken-record repetition of the coach to "go to sleep" or "lights out." Fun plus learning — plus winning — that sums up the speech team that CCHS is proud of!

In 73-74, the speech team won 4 sweepstake trophies besides the coveted traveling SIU trophy. They won the Egyptian Forensic League Finals, the SIU Little Egypt tourney, the Logan College Tournament and the IHSA District Tournament.

As Gomer Pyle would say, "Ah like it when you yell at me."

"Ahh the hell with it." It's bigger than the both of us.

Varsity Football

The Carbondale football Terriers, led by the coaching of Vern Pollock and first year coach Bob Pankey, were back with 20 veteran lettermen, and an impressive 7-4 record. But this record is very deceiving. The Terriers started out their season with such power teams as Mattoon, Cape Central, state-ranked Herrin and up-state Urbana. The Terriers 6-0 loss to Herrin was the closest game that Herrin came to losing in their undefeated season. After the first five games, the Terriers started to roll. They won six games in a row, with overpowering scores, such as the Homecoming win over West Frankfort, 34-7, Harrisburg, 50-0, and against arch-rival Murphysboro, 57-20.

The Terriers had six players picked for the Southern Illinois All-Star team. Senior Steve Maurizio was picked as a line-backer on first team Defense. Seniors Claude Sehnert and Dan Morgan were picked for second team Defense. Junior Bruce Douglas was picked for second team Offense. Seniors Bill Livesay and Brian Dougherty were given Special Mention as running backs.

With a champion sophomore team and returning lettermen, coach Pollock will be anxiously waiting for next season to begin.

For coaches Ken Lewis and Ben Cooper the football season of 1973 was much more enjoyable. After a dismal 4-6 record last year, a new sophomore team ran up an 8-1 record while capturing the South Seven championship with a 6-1 league record. Their only loss was to the hands of Harrisburg by a tough score of 13-8.

Two highlights of the season were when they beat Cape Central after losing to them as freshmen last season. Another big game was against arch-rival Murphysboro when the sophomores won, 35-6.

Therefore, Coach Pollock should have something to look forward to next season since the team has won South Seven crowns two years in succession.

Coach Jackson is very pleased with this year's Freshman team. His Terriers took the South Seven Championship with a perfect 7-0 record. The season was capped by a big win over Murphy 38-24 and twice scoring more than 40 points against Marion and Centralia.

Varsity Wrestling

The 1974 Wrestling Team, coached by Bob Odum and Assistant Coach Ben Cooper, proudly pulled through with a big 13-6 team record.

In the six years Odum has been coaching, he has taken 21 individuals to Sectional competition. In his first year as coach, Odum took one wrestler to Sectional, the second year he took two. This year six were taken. Next year, Bob Odum hopes to take at least seven sectional qualifiers.

This season the Carbondale team had six returning varsity lettermen who provide most of the team knowledge. Leading the Terriers were the two captains Curt Parrish, who finished the year with a 26-3 record, and Mark Goodman who had a 21-7 record. Other big matmen were Mark Waicukauski 15-1, Terry Covington 25-3, Doug Knewitz 12-6-1, Eric Schmulbach 15-11, Bill Coracy 17-13, and Roger Lipe 7-6-1.

The Terrier grapplers took two seconds and one third in team tournaments. In the Murdale Tourney, Carbondale lost the first place trophy to Jackson, but later on in the season beat them in dual competition 25-23. In the Conference Tourney, Carbondale lost the first place position to Centralia. Towards the end of the season the Terriers lost a few wrestlers due to sickness and injuries, but by pulling a few people up from the JV and at one time even the manager, the Terriers stood victorious. In the District Tourney, Carbondale slipped by one half point to lose second place position to Mt. Carmel.

Next year the wrestling team looks very promising, losing only five seniors. This year the wrestlers proved to other teams, that they could win even though they were down with some big starters out. Next year that kind of versatility will pay off to make Carbondale a strong team.

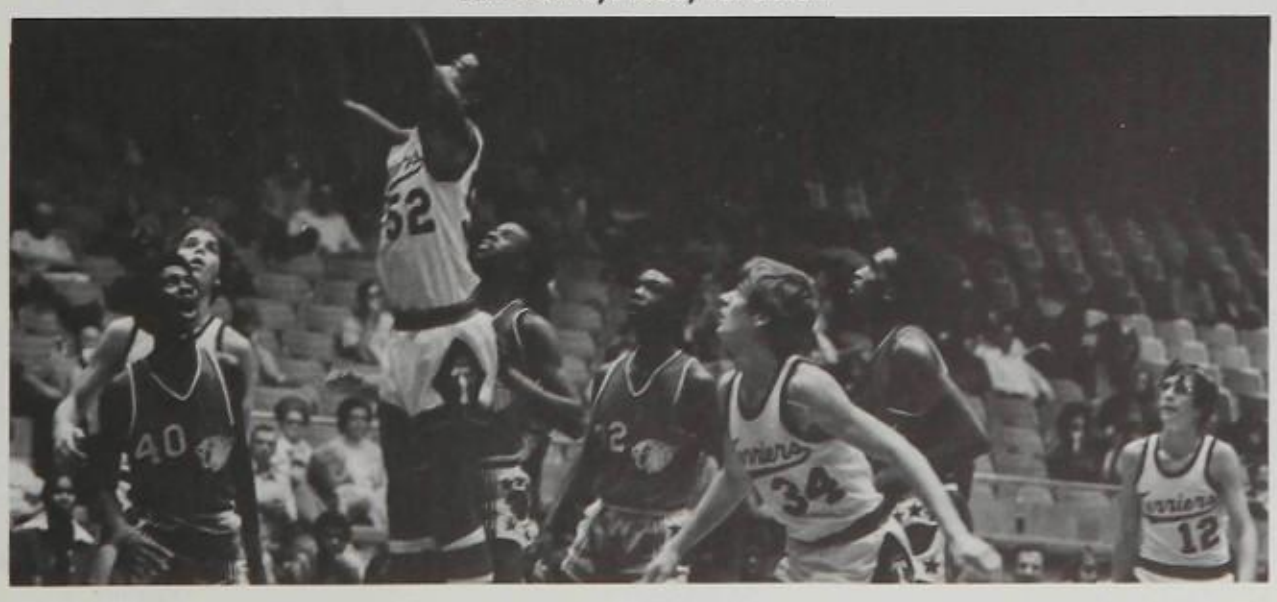
Terrier fans go wild at the Holiday Tournament after our first win.

Varsity Basketball

Terrier basketball hopes for the 1973-74 season seemed to have been very high with 9 returning varsity lettermen from a previously 5-17 record the year before. The Terriers got off to a slow start dropping their first seven games when they finally picked up their first victory in the Carbondale Holiday Tournament against Meridian 69-53. During those first seven games, the Terriers played state honorable mentioned Murphysboro twice — once during the Carbondale Holiday Tournament losing 57-61 and the second game of the season losing 61-63 by two free throws in the last seconds of the game. Discouraged from a slow start, the Terriers ended up with two seniors from the returning senior lettermen in Darrell Sanders and Jon Lam. The season showed some bright spots. For instance, the Terriers led one-time conference leader Mt. Vernon in the final quarter of one game until things came undone and finally lost 57-70. The next night the Terriers lost a two-point decision to Marion 54-56. With these two games and the early two-point loss to Murphysboro, the Terrier season could easily have been at the time 3 and 2 or possibly 4 and 1 instead of coming out of their first five games 0 and 5.

The Terriers look to experience next year from high scorer Scott Eriksen and jumping jack Mike Lacey who came on strong the last half of the season. The Terriers will lose fine athletes in Jon Lam and Darrell Sanders, one of the leading rebounders and scorers for this year's team. The Terriers are ready to forget this season and are looking forward to next year. Terrier Spirit for next year is strong and you can bet they will get their revenge for ending up this season 3-20.

Lam's always ready for action.



Susan and Lori discuss the secrets of the locker room.

He placed 2nd in the 500 yard free-style with a time of 5:08.1 and first in the 200 I.M. with a time of 2:08.8. Girls Sports Program

This is the second year for the newly formed Girls Sports Program, and its success is highly evident. Interest and participation has greatly increased from last year.

Coached by Jennifer Stanley, Softball, Varsity Volleyball and both Varsity and Junior Varsity teams have returned with winning seasons.

With building interest and talented athletes, next year should be something to look forward to.

In Remembrance

William Stephen Warner

William Stephen Warner was an inspiration to many; a leader, a helping hand, a listening ear, a diligent student, and a wonderful friend. He carried a strong sense of justice and could not be swayed when he believed himself right. His death has touched the hearts of many friends along with people of varying age differences because of his youth, ambition, and love for life. But Stephen crammed many concepts, ideas, pleasures, and experiences into 17 glorious years of life that are virtually impossible for some men to do in 70 years. So actually this is not the end, but a beginning . . . for Stephen . . . and the rest of us who looked to him as an inspiration and friend, and who will make a living memorial to him through a life well spent.

Ten Outstanding Seniors

These Seniors represent the faculty's choice for the 10 Outstanding Seniors, out of the upper ¼ of the Senior Class.

But these Seniors represent much more than just academic excellence. They represent our school in a wide variety of extracurricular activities, such as theater, athletics, speech, and student government. These students have brought recognition to CCHS in our area and throughout the state.

The DIAL congratulates these deserving students, in hopes that they will continue to make outstanding achievements in the future.
